If you choose Ben Allen Photography to photograph your wedding, please be certain that the time and date have been confirmed. When you book your wedding with us we turn away all inquiries for the time reserved for you.

A nonrefundable payment of one third of the package price will reserve our services until 30 days before your wedding date. At that time a nonrefundable payment equal to one half of the remaining balance of your package must be paid. Final payment is due at the time prints are ordered, within 30 days after the wedding. Couples moving out of town after the wedding should make arrangements for the final payment in advance and pickup of their final album and any additional merchandise.

Sorry, but we cannot ship wedding merchandise.

Overtime and holiday policy:

\$50.00 per hour in addition to package
Please add \$75 to package if your wedding falls on a Sunday, and \$100 if your wedding falls on a holiday.

Wedding Coverage:

Your wedding photography requires proper planning and care. Please discuss your needs and expectations with us and be most specific. Together we will plan the principal photographs to be taken.
